Exploring the Culture of Mexico

In May, Mrs. Canfield and Ms. Preston took a group of students to El Sombrero for lunch and to St. Bonaventure to experience Frida Kahlo's Garden. Frida Kahlo was a famous Mexican artist that painted mostly self-portraits that portrayed the pain she endured throughout her life. Her self-portraits were also inspired by Mexican artifacts, nature and animals. The students enjoyed looking at replicas of her paintings, collection of plants, dress, and art supplies. The students learned about Frida's life, her hardships and culture of Mexico.
