Summer Program

By Devin L. Davis

This year, Scio Central School hosted a Summer Program for students in grades Kindergarten through 6th grade. In all, there were 53 students who took advantage of the program. The program was held on Tuesdays-Thursdays, from 8:30 am to 2:30 pm, all four weeks during the month of July. The program was designed to incorporate fun with learning and the kids had a blast. They got to have fun outdoor activities, time in music and art class, extra instruction in reading and math, and tons of enrichment activities, like cooking and making Tie Dye shirts, each and every day. The teachers really went above and beyond to make sure that the kids had a lot of fun, but that they also honed their skills and learned something new. There were weekly trips to the local library and the YMCA pool in Wellsville, as well as fun trips to the Wellsville Municipal Airport and a day at Rushford Lake. The kids also got to have some fun adventures inside our building when we got a visit from Mr. Ian at Tanglewood Nature Center in Elmira, NY. He brought in a tree frog, chinchilla, python and an owl. There was also a field day and ice cream social.

I want to say a very special thank you to all of the members of the administration, board of education, transportation department, cafeteria staff, the school nurse, the custodial staff, the front office staff, the teachers and aides, the parents for your support, and especially our kids, for making this an unforgettable experience. A great time was had by all, and I really appreciate the opportunity to be the "summer program director" as part of my Administrative Internship here at Scio. I made some happy memories this past summer, and I hope the kids, faculty and staff feel the same way. We hope that this program will continue to grow and be of benefit in the future and for years to come.

News From the Superintendent

By Mrs. Jennifer Cappelletti

Greetings Scio Families! There has been more joy in our summer than usual. Our K-6 summer program was a great success. As the cover article and pictures in this issue show, our students had a wonderful time. We are very appreciative of the leadership of Ms. Devin Davis overseeing the program and of the teachers, teaching assistants and aides that worked with our students. Their mission was for the students to both learn and have fun this summer and they went above and beyond to be sure it happened. Our academic 7th-12th grade summer school, which is provided through BOCES, is usually in-person at another location. This summer it was virtual. As a district, we felt it was important to support these students that struggled during the school year. We required the students to come into the building and be supported by teaching staff that balanced high expectations with a caring environment. As a result, most of our students successfully completed their coursework and relationships were built that can help these students in the future.

The 2021-2022 school year is just around the corner. As always, I want to express my gratitude to our administration, school counselor, nurse, summer transportation, cafeteria, office and maintenance staff. They work tirelessly to prepare for the new school year each summer. With more activity in the building this year and more bus runs, they were flexible and always willing to do what was needed for our students. Meals were served for six weeks of the summer, and we had a lot of participation. I am pleased that so many in the community used this service. We look forward to opening our doors soon with shiny floors!

As we enter this new school year, we have some unknowns but not nearly as many as we had going into last year. Covid-19 times continue to present complex challenges with many elements to consider and ever-changing variables which result in no clear-cut solutions to many issues. We should continue to celebrate all that we have been through and be confident in our ability to move forward in these times. You will soon be receiving information about the upcoming school year and protocols (if you have not already received it). Your continued support is greatly appreciated as we move into the new year.

Scio Pride Always!

Jen Cappelletti

Principal's Corner

By Dr. Cristy McKinley

Greetings! It is hard to believe that we are a few short weeks away from the start of the 2021-2022 school year. I hope that you have taken time this summer to relax and enjoy family and friends.

The summer crew has been working hard to get the building ready and all faculty and staff are excited for the new year to begin! As we look to the start of the year, there are a few things I wanted to share with you:

- Superintendent Days will be held September 1st and 2nd. The first day of student attendance will be Tuesday, September 7th.
- Our district will again be able to offer all students free breakfast and lunch as part of the CEP Grant. Please encourage your student(s) to take advantage of this opportunity and begin each day with a nutritious breakfast.
- We will be returning to our regular school hours this year, 8:00am – 3:00pm. Students not in homeroom by 8:00am will be marked tardy and will require a written excuse. Please remember that any absence from school requires a written excuse.
- The Meet the Teacher Night for grades 1-6 will be held on Wednesday, September 22nd from 6:00-7:30pm.
- Meet & Greet for the Pre-Kindergarten and Kindergarten classrooms are planned for September 1st and 2nd. Please look for information from your child's teacher with details.
- New hire Trevor Claypool, teaching assistant. We are excited to welcome him into the SCS family!

On behalf of the SCS faculty and staff, I want to thank you for your continued support and dedication as a partner in your student's education. I am looking forward to another year of working together and serving as the proud principal of Scio Central School.

**Welcome
Back to School!**

Important Reminders and Dates

Superintendent Days for All Faculty & Staff

September 1 and 2.

Annual Title I Parent Meeting

October 20, 2021
Elementary Gymnasium
6:00 p.m.

All parents are encouraged to attend and learn about the Title I Program at SCS and ways that you can help your child succeed academically.

Dress Code Reminder

As we prepare to start the 2021-2022 school year, we would like to remind students about our dress code. When students dress for success, it reflects the quality of our school and the way students view themselves and their work. Ladies should wear tops that do not expose the midriff, are not revealing, and do not have spaghetti straps. Shorts, skorts, and/or skirts should reach midway down the thigh. Clothing should not advertise any type of controlled substance such as alcohol and/or tobacco or commend violence. Pajamas should only be worn to school for special occasions and with prior approval from administration. Blankets are not allowed under any circumstance. If clothing is deemed to be inappropriate, obscene, or in bad taste, the student will be asked to change and instances may result in a consequence laid out in the student handbook and Code of Conduct. Thank you in advance for your assistance and cooperation with ensuring student attire is appropriate.

Sports Schedules

Section V Athletic Schedules can be found at the following link. If you are interested in receiving notifications by email or phone, complete the simple steps below:

1. Go to the www.sectionvny.org website and select Scio from the list of schools on the right.
2. This screen provides a weekly schedule. Use the arrows to modify the timespan. Click on any day to view that schedule.
3. Under the calendar there is an option to select and view specific schedules.
4. Click "Notify Me" to be notified weeks, days or hours before games.

Book Sponsors

This past year PK through 4th grade enjoyed numerous books from their generous book sponsors. To be a sponsor for the upcoming school year you can donate \$10 and this will buy a student 1 book every month of the school year. To donate send a check (made out to Scholastic Book Club) or cash to school, Attn: Val Wight. Thank you for your continued support of this program.

ATTENTION FAMILIES

It's not too late to register for PK and Kindergarten!
If you know of anyone living in the Scio School District who has a child who will be four years old on or before December 1, 2021, please have them contact the school or stop in the main office to get a registration packet. For more information, please call 585-593-5510 x1163. Thank you!

Pesticide Use Notification

During the school year, it may be necessary for maintenance staff to use pesticides on school grounds to meet pest management goals. Any individual interested in registering to receive a written notification 48 hours prior to pesticide application, please contact Scio Central School for an application form. If you have any questions about the integrated pest management program or pesticide use, contact Doreen Martin, Buildings and Grounds, at 585-596-6318.

Moo-sical fun!

Summer Program volunteer helpers.

2021-2022 School Supply List

Scio Central will be supplying the majority of school supplies for students again this school year.

All students in PK-12 should come to school with the following:

- Pens (blue or black ink)
- Pencils with erasers
- Sneakers for PE (must be tied for PE class)

Grades PK-6:

All PK-6 students should come to school with following:

- Leak proof water bottle
- Backpack (large enough for folders)

We would appreciate students coming to school with: (School will provide as needed.)

- Boxes of tissues for classrooms
- Headphones that go over ears - no earbuds please (PreK-3; please see picture below)

- Earbuds or Headphones (Grades 4-6)

PK students only:

- Change of clothes including underwear and shoes to be kept in the student's cubby
- Small pillow and blanket for rest time (optional)

1st grade students only:

- An empty shoe box

Grades 7-12 by class:

- Sculpture: Smock
- Spanish: Spanish/English Dictionary (optional)
- Math 7 and 8: Scientific Calculator TI-30X (optional)
- Algebra, Geometry, PreCalc, Calculus: TI 83+ calculator (school will provide or you may provide your own)
- Regents Science Classes
- Calculator - at least 4 functions (can use calculator from math class)

****Please label elementary student items.****

A Few Words About Scio Central School's "Child Find" Responsibilities

Like all school boards in New York State, Scio Central School must locate and identify all the children who reside in the district that have disabilities or suspected disabilities. These are referred to as "child find" responsibilities. The purpose of this article is to inform you of our district's efforts and to clarify what specific tasks we undertake in order to ensure compliance with this aspect of State Education Law.

The district seeks to locate and identify all preschool and school age children with disabilities or suspected disabilities. This includes children with disabilities who may be enrolled in a private school or are considered to be highly mobile (for example, a migrant or homeless child). It also includes children who are advancing from grade to grade but are suspected of being a child with a disability or in need of special education.

The Committee on Special Education maintains a registry of all such children in the district. This register is updated annually as required by state education law. This registry makes statistical data available that can determine the status of each child with a disability. The status being referred to includes: identification, location, evaluation, placement and the program review process. By organizing this data it can readily be determined whether a child is receiving an appropriate public education.

We have implemented procedures to record data on each identified child with a disability. They include:

- The child's name, address and date of birth.
- The child's parents' names and address(es).

- The child's suspected disability.
- The dates of referral and evaluation, CSE recommendations, actual placement and annual program reviews.
- The site where the child is receiving an educational program.
- In certain instances, any reasons why the child is not in appropriate public education.

The intent of this article has been to provide a brief summary of important "child find" responsibilities that districts across the state undertake each school year. You are encouraged to contact the CSE Chairperson, Kelly Morehouse, if you have any questions or if we can be of assistance to ensure that we identify all of the children with disabilities who reside in the district. Scio Central School's Student Services Department can be reached at (585) 593-5510, Ext.1140.

(FERPA) Family Education Rights and Privacy Act

Family Education Rights and Privacy Act (FERPA): Notice to Parents and Eligible Students (students over 18 years of age) of Rights under the Family Educational Rights and Privacy Act (FERPA). ***You are notified that you have the following rights in relation to student records:***

- The right to inspect and review students' education records within a reasonable time but not more than 45 days from the day the Scio Central School District receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate or misleading or otherwise in violation of the student's privacy rights. Parents or eligible students may ask the Scio Central School District to amend a record that they believe is inaccurate, misleading or otherwise in violation of the student's privacy rights. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate, misleading or otherwise in violation of the student's privacy rights. If the Scio Central School District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
- The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. This includes:
 - o School officials with legitimate educational interest;
 - o Other schools to which a student is transferring;
 - o Specified officials for audit or evaluation purposes;
 - o Appropriate parties in connection with financial aid to a student;
 - o Organizations conducting certain studies for or on behalf of the school;
 - o Accrediting organizations;
 - o To comply with a judicial order or lawfully issued subpoena;
 - o Appropriate officials in cases of health and safety emergencies; and
 - o State and local authorities, within a juvenile justice system, pursuant to specific State law.

FERPA also requires that the Scio Central School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the Scio Central School District may disclose appropriately designated "directory information" without written consent, unless you have advised the district to the contrary in accordance with district procedures. Directory information is used in a variety of Scio Central School publications. Here are a few examples:

- a playbill showing student's role in a drama production;
- the annual yearbook;
- honor roll or other recognition lists;
- graduation programs; and
- sports activity sheets, such as for soccer, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside

organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings - unless parents have advised the LEA that they do not want their student's information disclosed without prior written consent. **(1) If you do not want the Scio Central School District to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing by September 30, 2021.**

The Scio Central School District has designated the following information as directory information:

- Student's Name
- Address
- Telephone Listing
- Electronic mail address
- Photograph
- Date and place of birth
- Major field of study
- Dates of attendance
- Grade Level
- Participation in officially recognized activities and sports
- Weight & height of athletic team members
- Degrees, honors, & awards received
- The most recent educational agency or institution attended

(1) These laws are: Section 9528 of the ESEA (20 U.S.C. 7908), as amended by the *No Child Left Behind Act of 2001* (P.L. 107-10), the education bill, and 10 U.S.C. 503, as amended by section 544, the *National Defense Authorization Act for Fiscal Year 2002* (P.L. 107-1071, the legislation that provides funding for the nation's armed forces.

Transportation Department

At Scio Central School, we work hard making sure that necessary steps are followed to ensure the safety of all our students. We have established procedures that will assist us in this goal. We encourage you to review the following information and discuss each item with your child. If you have any questions or concerns, please contact the transportation department at 585-593-0987. The Board of Education Policy states that students in grades PK-3 will not be dropped off unless the bus driver is certain that someone is there for the student. We need you to do one of the following:

- **Stand in a window or doorway**
- **Come outside**
- **Stand in the driveway**
- **Please wave to the driver so he or she can see you.**

If it seems that no one is available, the student will be brought back to the school and their emergency contact person

will be called to pick the student up. It is our wish to avoid any inconvenience for parents. PK students need to be escorted to and from the bus stop. PK students will be seated toward the front of the bus at all times.

Make sure your child/children are at the bus stop at the appropriate time! There will be three scheduled bus safety drills for all students during the school year. Please remind your child/children of our school bus safety rules:

- **Stay seated – facing forward**
- **No eating or drinking**
- **Talk quietly using appropriate language**
- **No hitting, kicking, or bullying**
- **No glass containers or aerosol spray cans of any type**
- **No tobacco products of any kind, including electronic devices**
- **No cell phones**

According to the Commissioner of Education, a school district is NOT responsible for transporting students to more than one location (even when that student's parents are divorced). There is no statutory or regulatory

requirement that states a district must transport a student to different places on different days of the week.

Each student may have only ONE designated pick-up point and ONE designated drop-off point.

The morning pick-up and afternoon drop-off may be different, but they must be the same locations DAILY.

Students will NOT be transported to other students' homes, except in the event of an EMERGENCY.

In the event of an emergency or any other bus change, please contact Kim Walsh in the main office at 585-593-5510 Ext. 1161 prior to 1:00 p.m. in order for the transportation department and your child's teacher to receive notification of the change in a timely manner.

All students being dropped off must be dropped off in the front of the school building. Please remember there is a 5-mph speed limit on school grounds. There is always the possibility of students in the driveway or parking lot.

We thank you in advance for your continued support in making our school the safest it can be for our children. If we can help to clarify any items in this letter, please do not hesitate to call.

Parent Bill of Rights

Parents (includes legal guardians or persons in parental relationships) and Eligible Students (students 18 years and older) can expect the following:

1. A student's personally identifiable information (PII) cannot be sold or released for any commercial purpose. PII, as defined by Education Law § 2-d and FERPA, includes direct identifiers such as a student's name or identification number, parent's name, or address; and indirect identifiers such as a student's date of birth, which when linked to or combined with other information can be used to distinguish or trace a student's identity. Please see FERPA's regulations at 34 CFR 99.3 for a more complete definition.
2. The right to inspect and review the complete contents of the student's education record stored or maintained by an educational agency. This right may not apply to parents of an Eligible Student.
3. State and federal laws such as Education Law § 2-d; the Commissioner of Education's Regulations at 8 NYCRR Part 121,

the Family Educational Rights and Privacy Act ("FERPA") at 12 U.S.C. 1232g (34 CFR Part 99); Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. 6501-6502 (16 CFR Part 312); Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98); the Individuals with Disabilities Education Act ("IDEA") at 20 U.S.C. 1400 et seq. (34 CFR Part 300); protect the confidentiality of a student's identifiable information.

4. Safeguards associated with industry standards and best practices including but not limited to encryption, firewalls and password protection must be in place when student PII is stored or transferred.
5. A complete list of all student data elements collected by NYSED is available at www.nysed.gov/data-privacy-security, and by writing to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234.
6. The right to have complaints about possible breaches and unauthorized disclosures of PII addressed.

Complaints of Improper Disclosure may be submitted to Scio Central

School District online at <http://www.scio.wnyric.org/districtpage.cfm?pageid=793> or by mail to: Scio Central School, Data Protection Officer, 3968 Washington Street, Scio NY, 14880. Copies of the complaint form can be obtained on-line or at the Superintendent's Office.

Complaints may also be submitted to NYSED at www.nysed.gov/data-privacy-security; by mail to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234; by email to privacy@nysed.gov; or by telephone at 518-474-0937.

7. To be notified in accordance with applicable laws and regulations if a breach or unauthorized release of PII occurs.
8. Educational agency workers that handle PII will receive training on applicable state and federal laws, policies, and safeguards associated with industry standards and best practices that protect PII.
9. Educational agency contracts with vendors that receive PII will address statutory and regulatory data privacy and security requirements.
