Changes to STAR: Exemption or Credit?

If you currently receive your STAR benefit as a reduction on your school tax bill (the STAR exemption), you may receive a greater benefit if you switch to the STAR credit to receive a check instead.

Q: What is the difference between the STAR exemption and the STAR credit?

A: The **STAR exemption** appears as a direct decrease on your annual school tax bill. Receiving the **STAR credit** means you would pay the entire amount of your annual school tax bill then receive a check from New York State for your STAR benefit.

Q: What are the recent changes in the law affecting my STAR benefit?

A: Recent changes in the law beginning in April 2019:

The value of the STAR credit savings may increase by as much as 2% each year, but the value of the STAR exemption savings will not increase.

The income limit for the Basic STAR exemption is now \$250,000.

Q: Is changing from the STAR exemption to the STAR credit mandatory?

A: It depends upon your income level. **If your income is more than \$250,000, you must switch** to the STAR credit to continue receiving a STAR benefit. **If your income is \$250,000 or less, you have the option to switch.**

Q: What is the benefit of switching from the STAR exemption to the STAR credit?

A: In future years, the amount of your STAR exemption will remain the same. However, if you receive the STAR credit, your STAR benefit may increase as much as 2% every year.

Keep in mind that if your property taxes are paid through an escrow account, the switch may have an effect on your monthly mortgage payment. Contact your mortgage lending company if you have any questions.

Q: How do I switch from the STAR exemption to the STAR credit?

A: To switch to the STAR credit: Notify your assessor to withdraw from the STAR exemption by completing Form

RP-496 Application to Renounce Previously Granted Exemptions, which can be downloaded by visiting https://www.tax.ny.gov/pdf/current_forms/orpts/rp496_fill_in.pdf.

Visit <https://www.tax.ny.gov/pit/property/star/default.htm> and follow the directions to register for the STAR credit online.

If you have any questions regarding changes to the STAR program, you may call the NYS Department of Taxation and Finance at (518) 457-2036.

Tax Collector Hours

Scholastic Challenge Team Competes at Nationals in Washington, D.C.

SCS Scholastic Challenge Team Members are shown on their trip left to right: Jordan White, Sean Patrick, Jeb Broach, Greg Wesche, Will Broach, and Derek Ketchner.

Our Scholastic Challenge Team is shown across the street from the White House.

The SCS Scholastic Challenge Teams have had a very exciting and busy year! They had a later start, but came out strong with our two-man team, sophomore Jeb Broach and freshman Shawn Patrick, winning the Varsity Division in the Regionals held at Portville Central School on Saturday, April 6.

Our JV Team, which was comprised of eighth graders Will Broach, Derek Ketchner and Jordan White and seventh grader Greg Wesche, also won their Division.

Both teams won all of their preliminary matches with their first losses coming in the finals, where both teams came through with a win in the double elimination tournament. Combined, the two teams competed against 35 other Scholastic Challenge teams throughout the day. With the win, both teams also qualified for the National Competition.

With fundraising, donations and school support, the two teams went to Washington, D.C. on May 30 through June 2. The six students actually combined and competed as one JV team at Nationals against students from around the country. At Nationals, teams compete in six preliminary matches. If you win four, you continue on to the finals on Sunday. Unfortunately, we won three and lost three, so we came up short.

Art Teacher and Scholastic Challenge Advisor Tammy Straight said, "This was our third time attending the National Competition. The team had a great time and it was a great learning experience."

She added, "Thank you to everyone, to the teachers, parents, community, and for all of the support from the school. These kids love this, it is knowledge and they thrive on it, (and) I know they appreciate all of the support from you!"

Reminder to Parents of Home Instructed Students

Please send in your Fourth Quarter Reports and Annual Assessments as soon as they are completed.

Parents of students who intend to educate their children at home must provide a written notice to the superintendent annually by July 1st of each school year.

New College Credit Courses Offered in Business

Mr. Childs has announced new college credit courses will be offered in business beginning in the Fall of 2019. An exciting addition to next year's Scio curriculum is a half-year *College Business* 1500 class and a half-year *College Finance* class for a total of six college credits.

According to Mr. Childs, "This class is everything real life from retirement planning to succeeding in the world of work. Many people have said schools need to teach more of this type of material -- well, here it is! Other college offerings in business include a half-year of *College Economics* and a full year of *College Accounting*."

Scio students can now graduate with 12 college business credits through Jamestown Community College. These courses are available to all SCS juniors and seniors. SCS sophomores wishing to try for college credit must meet these criteria: a. 80% average for high school; b. fifteen years old by the end of the course; c. approved by parent (s) and guidance counselor.

Students may enroll by contacting the Scio Guidance Department.

Alannah Wins Big 30 Scholarship

CONGRATULATIONS to Alannah Allen (center with parents) for receiving one of six Big 30 Academic Scholarships, which are sponsored by administrators from New York and Pennsylvania schools within "The Big 30 Area." The achievement award is based on raw grades, courses taken and their degree of difficulty, college entrance scores, grade averages and the student's involvement outside of school. *Way to go, Alannah!*

An Early Walk for Expectant Grads . . .

Our Seniors had a chance to practice with an early graduation walk to the elementary wing of the school on Thursday, June 13. Superintendent Jennifer Cappelletti is shown BELOW getting a few "selfies" in the hall with members of the Class of 2019.

Talent Show 2019

This year's Talent Show was held on Saturday, May 18. We had a wide variety of acts, with participants from grades 3-11 in three separate categories: Music, Entertainment, and Art.

Musical acts included a trio of third grade performers: Michaela Hardy on the piano, Brielle Allen and Michaela Hardy singing "Lost Boys," and Elinor Cook singing "Over the Rainbow." Ninth grader Joey Nickerson also played his ukelele while singing "Tourist: A Love Song from Paris." Jakub Dzik, a junior foreign exchange student from Poland, played three songs on the piano. And finally, freshman Destiny Howell performed a song, "You are the Reason."

Two students performed in the Entertainment category: seventh grader Tyler Nickerson with an original comedy piece, and eighth grader Ayden Faulkner performing Close-Up Magic.

There were over 30 submissions in the Art category from students in elementary, middle, and high school grade levels.

Three awards were given out. Audience members voted for their favorite acts in each of the designated categories by placing tickets they received at the door in bags labeled with their favorite's name. Tickets were counted at the end of the show, and the winners were announced based on popular vote. This year's winners were Michaela Hardy and Brielle Allen for Music, Ayden Faulkner for Entertainment, and Cassandra Tesson for Art. Winners received a small plaque, flowers, and a \$20 gift certificate.

There was also a bake sale and a painting raffle, hosted by the Scholastic Challenge Team, to raise funds for their upcoming trip to Washington, D.C. Mrs. McKinley and Mrs. Cappelletti were both in attendance as well as many proud friends and family members.

A special note of gratitude to senior Seth Porter who volunteered to help with sound and lighting, as well as giving out ticket envelopes at the door, and to the SCS Music Department. Without the help of Mr. Stack and Mrs. Berardi, the show would not have been possible.

Under the advisement of a new teacher, Ms. Davis (High School English), the show was a little bit "nontraditional" with its separate categories, audience members dropping tickets to vote, wide-ranges of ages and talents, the elimination of entry fees, and scheduled rehearsals after school in the weeks leading up to the show. But despite the changes, it was a lot of fun and it went really well.

Ms. Davis said, "Being able to see our Talented Tigers perform in May was a joy, and next year is sure to be an even bigger and better show. So be on the lookout for us, and don't be

Destiny Howell

afraid to participate next year. It ought to be a whole lot of fun! Also, a hearty bravo and congratulations to this year's performers and winners. We hope to see you perform again next year!"

Great News, AGAIN!

Scio Central School is pleased to announce that we will continue to participate in the Breakfast and Lunch program, Community Eligibility Provision (CEP) for the 2019-2020 school year.

What does this mean for our students? Every child will receive a healthy breakfast and lunch for FREE. Yes, we mean FREE.

Applications

All families are encouraged to continue filling out the Household Income Form. The form will be sent home at the beginning of the school year, or can be picked up in the office or cafeteria. We are asking for every family to complete a form. Qualifying families will help us to continue receiving special grants and funding throughout the school district.

All information is strictly confidential.

ID Cards

All students and staff will be issued an ID card with their picture and ID bar code on it. Cards will be provided by the school when pictures are taken. Students in grade 5-12 will be able to use the finger scan system for any purchase made in the cafeteria.

Pre-Paying on Account

As both breakfast and lunch are free the only money needed will be for ala carte items, such as extra milk or a second meal. It is best to prepay on your account by giving the cashier money ahead of time. Parents may send in a check or money in an envelope or stop by the school to make a payment. All money will be added to your student's account and the cashier will access the account at the time of purchase.

Ala Carte Sales

Student desiring ala carte items, such as extra milk or a second meal must pay cash or have money in their meal account. Students will not be allowed to charge ala carte items.

Does the school provide a second breakfast or lunch for free?

No. The school only gets reimbursed from New York State on the first breakfast and lunch served. Families are responsible for payment of a second meal.

Can children still bring their lunch?

Yes. However, if they buy milk, it is the families' responsibility to pay for the milk.

How will ala carte items (pizza, nachos, chips, etc.) be handled?

As in the past, families will continue to pay for a la carte items. *Available a la carte items are shown on page 11.*

Will the school district request a household application?

Yes. Other federally funded grants that the district receives are based on the district's poverty levels. This data was gathered through the cafeteria free and reduced applications process. In order to continue to receive such grants, the income information still needs to be gathered. We encourage all families to submit applications as these play a crucial role in the district maintaining these grants!

Information provided by Cafeteria Manager Cindy Winchell. *If you have any questions, please contact her at (585) 593-5510, extension 1500.* Thank you.
